We thank you in advance for your co-operation.

Invoice Instructions

Send invoices via SDI portal (domestic vendors) – every domestic invoice has to be sent to SDI portal for verification first and after that it can be processed.

Send invoices via email (foreign vendors)– a central delivery email address along with contact details for our Accounts Payable team in the event of any queries or being unable to email invoices can be found on page 4.

Missing details may result in delays or invoices being returned for correction and resubmission.

Payment terms are applied from the invoice date.

Our standard payment terms are 30 days.

For prompt payment, please ensure that all invoices include the following:

- The appropriate Purchase Order number
- The legal name and address of the Swiss Re entity purchasing the goods/services (as per the order)

- A clear description of the goods and/or the services purchased
- Billing in the currency stated in the Purchase Order
- Your organization's current address and bank details (bank account in IBAN format and name of the bank and SWIFT/BIC code)

- Refer to Swiss Re's BID and VAT numbers (as stated in this document)
- If otherwise agreed in the contract, any non-standard Payment negotiated terms should be indicated on each invoice. This will be used to check against order / contract information.
