Note 1:

- Premium stands for net premium accepted during the year
- The line of business which are not applicable for any company should be filled up with NA.
Figure '0' in those fields will imply no business in the segment.
*any other segment contributing more than 5% of the total premium needs to be shown separately
- Certain line of business has nil treaties, as these are not main line of business for a treaty with multiple lines of business. This will prevent double counting of total number of treaties.
