With Recommendation dated 18 May 2021, Swiss Re was granted easing provisions from the notification duty pursuant to art. 120 para. 1 FMIA to the effect that any oscillation of the sale positions in own shares due to awards under Swiss Re's incentive schemes around the notification threshold of 5% does not need to be reported in a corridor between 4.5% and 5.5% of the voting rights related to Swiss Re's shares. The easing provisions are granted until 31 August 2022.
