

## Swiss Re sets up service company in Tokyo

30 Jun 1999 CET Press Release

**Swiss Re has set up a service company in Tokyo. The Japanese registered company is called Swiss Re Services Co., Ltd. It is a member of the Swiss Re Group and begins its operations on 1 July.**

In 1972, a Representative Office was opened by Swiss Re in Tokyo to provide a closer link between the Head Office located in Zurich and its customers in Tokyo and Osaka. Swiss Re is committed to deliver its capital strength and risk management expertise to Japanese clients. It has been decided that, for the foreseeable future, the Japanese business will continue to be underwritten in Zurich and benefit from the full backing and financial strength of the Swiss Re Group. The mission of Swiss Re Services Co., Ltd. is to be a service interface between the local client base and the global expertise of Swiss Re.
